MEDIA STATEMENT

For immediate release

TEMPORARY CLOSEDOWN OF WALVISBAY POST OFFICE DUE TO POSSIBLE EXPOSURE OF COVID-19

NamPost hereby wish to inform the public that Walvis Bay Post Office will be temporarily closed due to possible exposure to COVID-19. The Post Office will be closed for disinfection from Tuesday 23 June and may reopen on Friday 26 June 2020. We will advise in due course.

All Post Offices in Walvis Bay (Kusebmond and Narraville) will only close on Tuesday, 23 June for precautionary disinfection and reopen on Wednesday 24 June 2020.

The decision comes after careful consideration of the possible risk exposure as one of our employees at Walvis Bay Post Office might have been in contact with an identified case. The staff member has been sent into self-isolation as we await guidance from the authority on further action.

Courier Services will continue to do delivery and collect essentials only.

We urge our customer to interact with us via email (info@nampost.com.na) as we will continue to render the much needed services.

-End-
