MEDIA RELEASE

NamPost Supports the Distribution of Sanitizers and Toilet rolls

NamPost will transport sanitizers to 70 local authorities in Namibia as part of the contribution to the prevention of COVID-19 in Namibia. The items were made possible by the Standard Bank of Namibia and Elso Holdings as follow:

1. 180 units of 25L containers of surface sanitizers
2. 112 units containers of 25L hand sanitizers
3. 104 toilet packs of 40 rolls per pack

All these donations are destined to selected Namibian informal settlement community's through the Shack Dwellers Federation of Namibia.

At the same time, NamPost committed **N\$ 90 000** in value for transportation of the items weighting 8 ton to different towns in Namibia

The surface and hand sanitizers, toilet papers and COVID-19 educational materials will be distributed through NamPost branches countrywide where they will be collected by beneficiaries.

As a corporate citizen, we have acknowledged the informal settlements in the country as communities in urgent need of our support, hence we joined this great initiative in ensuring that communities receive the much-needed sanitizers and printed information. NamPost is a proudly corporate citizen and is committed to help address the plight of our country and our people.
